### **3. ELIGIBILITY, REGISTRATION, AND INSURANCE**

#### **3.1. Centre Point**

BCMHA's centre point is 944 Powerline Road, Brant, ON N3L 0B2.

#### **3.2. Eligibility**

BCMHA resident players are those for whom BCMHA's centre point is the nearest centre point from where they usually reside. A player's residence is defined as the structure (not the property) in which the player is a permanent resident, and any measurement therefrom shall always begin at the main entrance of such residence.

8 km Rule – Right of Choice Player

In addition to the above "Home Centre" determination rule, the BCMHA operates under the "8km Rule". Under this rule, a player shall be given a choice of Home Centre where the difference in distance from or to his/her residence, over well-traveled roads, always measured by the shortest possible route to the closest two or more Centres does not exceed 8km. That said, you will not be permitted to bypass a Centre to play for another Centre in the same general direction.

For the 2024 / 2025 hockey season, being the BCMHA's inaugural season, all previous Right of Choice players who selected Burford / Paris/ St. George as their Home Centre and would be a Right of Choice player if they were starting rep hockey for the first time can make a new, refreshed "Right of Choice" selection.

Grandfathering Rule

Any player rostered with the, BMHA, PMHA or SGMHA for the 2024-2025 hockey season who satisfies the 2024-2025 season residency rules for those Centres will automatically have the grandfathered right to play for BCMHA. This is the case even if a player's new natural "Home Centre", as per the above rules, would not be the BCMHA. This is a special case allowance with the transition to the BCMHA. In the future all new hockey players will use the above Home Centre rules to determine their Home Centre.

Name bars may be displayed on team jerseys at the approval of the BCMHA board.

Teams should not approach BCMHA-designated Team Sponsors for additional Team specific sponsorships.

Sponsorships will be granted under the stipulation that it is solely a financial sponsorship and does not imply or afford the sponsor further involvement or the right to influence operational decisions associated with the Team.

In accordance with OMHA Regulations, Breweries, Cannabis-related enterprises, Distilleries, Wineries or Tobacco Companies will not be permitted to sponsor any team in the BCMHA.

All BCMHA Sweaters, Uniforms and Team Wear and Merchandise must be approved by the BCMHA Board of Directors prior to being ordered. Any and all sponsorship language or slogans on BCMHA player Sweaters, Uniforms or Team Wear will be subject to review and approval by the BCMHA Board of Directors.

(g) Team Budgets

Team Officials, including specifically the Head Coach and Team Manager will be responsible for managing and overseeing any Team Fee and fundraising related activities. This shall include a requirement that all Teams prepare and manage expenditures using a Team Budget. The Team Budget for the year should be fully discussed and disclosed to parents on the Team at the beginning of the season, with periodic updates throughout the year. Parents on the Team are entitled to know how Team money is being spent, and Team parents are entitled to disclosure of the Team Budget upon request.

Team Managers are required to submit their proposed Team budget to the BCMHA Treasurer at the beginning of the season. Team budgets must be reviewed and approved by the BCMHA Treasurer prior to any funds being spent.

Any equipment, ice time, tournaments, clothing, or fundraising items purchased by a Team shall be the responsibility of the Team for payment. BCMHA accepts no responsibility for a Team's non-payment of Team related costs and expenses.

(h) Fundraising Accountability

Where a Team chooses to engage in fundraising activities, Team Officials will be responsible for ensuring financial transparency and accountability. All fundraising efforts will utilize the BCMHA bank account for cash management purposes.

Team Officials shall provide the BCMHA Treasurer with copies of year-end account statements setting out all deposits and withdrawals, with an explanation for any monies spent. Parents on the Team shall be entitled to review Team budgets and expenses throughout the season upon request. Team budgets and accounts will be subject to audit and review by the BCMHA Board at any time.

At the conclusion of each hockey season, all Team bank accounts must be closed, and any

unused funds not promptly refunded to families on the Team must be remitted to the BCMHA for the benefit of the entire Association.

(i) Clothing and Merchandise Purchase

The BCMHA executive will identify the Approved Team Wear and Merchandise Products from approved vendors that are available for Teams to choose from and utilize.

Team Wear and Merchandise options being identified by the BCMHA executive will ensure the acceptable quality and consistency of products purchased and to safeguard the authorized use of BCMHA trademarks, logos, and team colours.

Teams that wish to purchase additional Team Wear and Merchandise not listed by the BCMHA executive will require approval of the BCMHA executive prior to ordering. Only BCMHA approved products and vendors may be used by BCMHA for Team related purchases.

Use of the BCMHA name or related logos on any clothing, equipment, material, or merchandise being generated by Teams or their sponsors shall require the express prior consent of the BCMHA Board.

## **7. TRYOUTS AND PLAYER MOVEMENT**

### **7.1. Basic Principles**

All players are encouraged to play at the level of their ability, but no player will be forced to play at a higher Division against their wishes.

The Board will determine available Rep teams and categories each year, having regard to available player numbers and the competitive ability of available players. Icing competitive and viable A level Representative teams will be the priority of BCMHA, before alternative Rep teams at any other level are considered.

All players participating must try out for either the Major or Minor A team classification first and if not selected, will be eligible as a secondary option, to try out for a Minor or Major BB/C, or combined BB team, should the Board determine that additional teams are warranted.

Tryout fees for A will include the tryout fees for BB/C. No additional Tryout fees will be asked for the participants.

The availability of BB/C Teams will be at the discretion of the Board, and subject to a consideration of available player numbers to make such a team viable.

Players attending BCMHA Tryouts for A level teams and who are subsequently released from the process will be eligible for any subsequent BB/C, Select or Alternative Player (AP) opportunities that might later arise.

In the event that BCMHA does not field an "A" team only players that registered for tryouts will be granted to leave on a OMHA 3.5 form to the next closest centre or be granted to tryout for the next higher division they would be eligible to play in as per OMHA/ HC regulations

### **7.2. Representative Hockey Operations Committee ("Rep Operations Committee") – Tryouts Oversight**

The Rep Operations Committee will be responsible for appointing an Evaluation Panel to conduct objective player evaluations that will be used for the purposes of validating player

selection. The Evaluation Panel shall be composed of an equal number of members from each of the Local League Associations.

The Rep Operations Committee shall be responsible for determining the format and ice-time for Tryouts, and for establishing a reasonable Tryout fee. The Tryout format and associated fees recommended by the Committee will be subject to approval by the Board. Applicable fees will be determined by the Rep Operations Committee in a manner to ensure coverage of applicable ice time and third-party support costs required for the purposes of conducting Tryouts.

To help ensure that Tryouts are fair and objective for all players, the Rep Operations Committee will be responsible for retaining appropriate on-ice support to help conduct the Tryout Process to avoid any potential conflict of interest between players and evaluators.

The Rep Operations Committee will be responsible for ensuring that all relevant details about the Tryout process, including related fees, ice schedules and conditions are adequately communicated to the Local League Associations families well prior to tryouts taking place.

Coaches of Rep Teams will be responsible for following the instructions of the Rep Operations Committee and the terms of this Policy.

Coaches will not be on the ice during evaluation skates and throughout the tryout process will not discuss any player evaluations with anyone other than members of the Evaluation Panel.

### **7.3. Player Eligibility**

All Players attending and/or participating at any Tryout for a potential spot on a BCMHA Rep Team must have one of the following prior to stepping on the ice:

- (a) Completion of BCMHA Registration, including completion of any necessary Tryout forms, and payment of all applicable Tryout fees.
- (b) A current address within the approved BCMHA boundaries as listed in the HCR system accessible by the Association's Administrator or hold BCMHA grandfathered rep rights for their current address.
- (c) A Non-Resident Player Form (NRP) that has been authorized by their Centre. Midget level players may also have an "Authorization to Move Form" to attend if their home Centre is not forming a U18 A team or where they have been released from their home Centre.
- (d) Players planning on moving within the approved BCMHA boundaries must have a "Residency Transfer Form" filled out and submitted to the OMHA prior to attending a Tryout or at a minimum, documentation that they have purchased a residence in our boundaries. (Residency Forms will be available at the tryout desk). A successful OMHA change of residency (which is the responsibility of the player) must be finalized as a condition of any offer on a BCMHA Rep team.

### **7.4. Tryout Attendance**

All Players wishing to play for any Rep Team will be expected to attend all Tryouts held for that team until released by the team Coach. Exceptions may be at the discretion of the Rep Operations Committee of the Board.

Players that do not attend the A tryouts will not be eligible to try out or roster with any applicable AE or BB team, subject to any exceptions determined by the Board.

Any player that could not attend the Rep Tryouts due to an acceptable reason may be given the opportunity to make the team by trying out and being evaluated by the Coach and Rep

Operations Committee, where the following exceptions apply:

- (a) The player is an incumbent Rep player but could not attend due to injury, family commitment or any other reason that will be forwarded to the Rep Operations Committee and Coach prior the Tryouts commencing.
- (b) The player played Rep hockey in a different center and recently moved into BCMHA territory; or
- (c) The player was released from a Junior, AAA or AA team and resides within BCMHA territory.

#### **7.5. Underage Players**

Any player that is underage and wants to try out for the older representative team can do so in accordance with OMHA regulations. In order to be eligible, the player must be considered top three in skill with the older team, where “top 3” is considered to be a truly exceptional player. Both the Head Coach and a majority of Evaluation Panel members must all concur that the player is top three in skill. Where the player is considered to be top 3, they may be eligible to play up to the higher age level unless:

- (a) The Team at the player’s own age level does not have a minimum number of BCMHA players to be viable
- (b) A major team cannot form under the OMHA requirements
- (c) Players on the higher-level team who are comparable in skill would be released from the Rep team in order to accommodate the younger player
- (d) The Head Coach and Members of the Evaluation Committee have concerns about the player’s
- (e) Size and potential safety issues created by contact situations
- (f) No player has a right to play up to a team at a higher age level. The BCMHA Board reserves the right to make all final decisions on all player movements.

#### **7.6. Rep Player Selection and Offers of Commitment**

Players participating in Rep tryouts will be eligible for a minimum of 3 Tryout skates, or as per OMHA Regulations.

Head Coaches will have overall responsibility for evaluating players and selecting a proposed team roster, having regard to the skill, game sense, teamwork and coach-ability demonstrated by the players during the Tryout.

Head Coaches are not to make any final player decisions without first reviewing and having their selections assessed and validated by the Evaluation Panel and the Rep Operations Committee.

Upon having their player recommendations validated and approved by the Evaluation Panel and the Rep Operations Committee, Head Coaches will then be authorized to communicate offers to eligible players. Head Coaches will be required to provide selected players with OMHA Offer of Commitment Letters, which players shall sign and return within two weeks of the Offer of Commitment being extended, as a condition of maintaining a spot on the team.

All players that have been awarded roster spots on a Rep team will have to register and pay all applicable BCMHA fees within 30 days of the final Tryout.

All NRP players must be given a Letter of Commitment within 14 days of the commencement of the tryouts as per OMHA regulations or they will have to get special consent from their home Center.

### **7.7. Team Sizes**

The Rep Operations Committee of the Board will instruct Head Coaches as to the number of available players they are able to select for a particular team. The number of players established by the Committee will have regard to the overall number of registered players available, the level of interest in Rep hockey opportunities, and the skill level of the player tryout pool.

In situations where allowing a Rep team to roster a large number of players would result in significant and negative impact to the viability of the Local League Programs for BMHA, PMHA, or SGMHA, the Directors of Rep and Local League for both Associations will review available player numbers make best efforts to adjust team numbers in a manner that seeks to balance the needs of all programs, which may include requiring Head Coaches to fully utilize the AP Option as a means of rostering a sufficient number of players.

### **7.8. Tryout Process**

#### **(a) Evaluation Panel**

The Rep Operations Committee of the Board shall appoint an Evaluation Panel composed of an equal number of independent evaluators from the Member Associations, possessing significant hockey experience. These evaluators may be coaches from the Local Associations (current or retired), current or former board members, member volunteers, or professional hockey instructors whose role will be to help assess players participating in the Tryout Process in an objective manner.

Members of the Evaluation Panel shall not have any conflict of interest with specific players being evaluated. Panel members shall observe the Tryout Process and evaluate players using the system and forms provided for in the Hockey Canada Development Guide for Player Evaluation and Selection. The results of these evaluations shall be kept confidential. Throughout the Tryout Process, the Evaluation Panel will meet and consult with the Coach for the purposes of providing advice, guidance and recommendations regarding player selection.

Before coaches make any release or inform any player about an offer it must be approved by the Evaluation Panel. A meeting will be set up within 72 hours of the final tryout to discuss the selections made by the coach.

#### **On Ice Activities**

To help ensure that Tryouts are fair and objective for all players, the Rep Operations Committee will be responsible for retaining appropriate on ice support to help conduct the Tryout Process to avoid any potential conflict of interest between players and evaluators.

Any on-ice assistants utilized during Tryouts must be non-parents without any potential conflict of interest to players trying out for a particular team. Head Coaches will be prohibited from offering Bench Staff positions until the Tryout Process has been concluded.

Head Coaches will not participate on-ice during the Tryout process but will evaluate players from the stands. If Head Coaches wish to see a certain focus to the Tryout

process, they can provide sample practice plans to the on-ice staff in advance.

Players registering for tryouts will be issued a personal “Tryout Number”. Following the third Tryout Skate, players invited to continue in the Tryout Process will have their anonymous Tryout Number listed on the BCMHA website. It will be the responsibility of players and their families to confirm whether a player has been invited back using this process. The Association has decided to use an anonymous Tryout Number for communication purposes to help better manage the selection process, out of respect for players and their privacy.

Following each Tryout Skate, members of the Evaluation Panel will provide their player evaluation forms to the Head Coach for review. These forms are to remain strictly confidential and will be destroyed following the Tryout process. While players not selected for a Rep Team may wish to later discuss opportunities for improvement with Head Coaches, selection decisions will not be subject to review or appeal, and specific evaluation scores will not be disclosed.

Tryouts cannot be conducted on private ice. Unofficial tryouts of any kind with only selected invitations are not permitted and may disqualify players from potential selection and result in the removal of Head Coaches, where this rule is broken.

(b) Miscellaneous

Where the Coach’s selections are not reasonably consistent with the opinion of the Evaluation Panel, any disagreement will be resolved by the Rep Operations Committee of the Board.

All players participating in the A level tryouts and subsequently released, can try out with the BB team if the Board determines that sufficient player numbers make such a team feasible.

Players released during tryouts will be given strong consideration for potential AP opportunities.

If an additional player moves into BCMHA residency and is eligible to roster to a Rep team, he or she will be granted a maximum of three skates with the team and evaluated as per the tryout evaluation process. New players moving into territory may not dislodge a previously selected player but can be added to the Roster, should their tryout be successful.

## **7.9. Affiliated Players (AP)**

BCMHA fully supports the proper use of AP Movement in order to maximize development opportunities for players and to help ensure that an adequate number of players are available for all teams.

All potential AP players that a Head Coach may be considering must be discussed with the Evaluation Panel prior to any offers being made. Players that were released from the Tryouts should be given first consideration as they will likely be the future players when others move on from a particular age group. Should any additional APs be considered mid-season, the Head Coach must first seek approval for such requests from the Rep Hockey Operations Committee.

Unless otherwise approved by the Rep Hockey Operations Committee, APs for A level Rep Teams should be taken from the BB Team below (should there be one) and/or LL at the correct age group, as opposed to taking Rep players from the age group below. In the event that an BB

Team is viable and approved, APs for an BB level Team would be taken from the Local League Associations LL Teams.

All Head Coaches at both the Rep and Local League levels are required to communicate and cooperate with one another in order to facilitate the AP Movement process, and subject to those considerations set out below, Coaches are required to release players for AP opportunities, so long as it does not interfere with regular scheduled games, practices, tournaments, or play-downs as well as any related travel time associated with the player's base category team.

Teams should only roster AP's who they are prepared to use in games and such players should be regularly invited to practice and play from time to time with the team to which they are rostered as AP's. Teams utilizing APs should do so for the purposes of supplementing available players only. APs should not be used to displace regular players rostered to the team.

Each player may only be affiliated with one team. Local League players from the Local League Associations will be eligible to AP for BCMHA Rep Teams.

In addition to this Policy, all OMHA Affiliation Rules must be followed by the Coaching staff.

All Head Coaches wishing the use of affiliated players must complete an OMHA Affiliated Player form listing all players they wish to affiliate. The form must be signed by the Team Head Coach, the Affiliated Player's Registered Team Head Coach, and the Parent/Guardian. In the signing of this form the Registered Team's Head Coach has given consent for this player to play as an Affiliated Player during the regular season.

Prior to the beginning of the play-downs the Registered Team's Head Coach shall come to an understanding with the Player and Parent/Guardian as to the availability of the Affiliated Player to the Affiliated Team and inform the Affiliated Team's Head Coach of their decision. If a conflict still exists, the situation shall be brought to the Board for a final decision.

As a courtesy, the Head Coach requesting the use of an affiliated player, should inform the player's regular coach prior to every game that the player is required.

Players selected for AP opportunities will not be required to contribute towards additional Team Fees required by the Rep Team they are occasionally playing for.

#### **7.10. Representative Team Fees**

Being offered a position on a BCMHA Rep Team is a privilege and not a right. Playing on a Rep team involves a higher level of competitive commitment, which often involves additional ice time and training expectations, which generally carry additional cost. Regulations governing Team specific fees, fundraising and sponsorships shall be enacted by the BCMHA Board.

As a condition of playing on a Rep team, players selected will be responsible for paying the

higher registration fees associated with the Rep Teams, as well as any additional team fees mandated by BCMHA from time to time, which may include:

- (a) Additional Parent Contributions
- (b) Team Sponsorships
- (c) Fundraising Obligations
- (d) Equipment & Uniform Fees
- (e) Extra Ice Time Fees
- (f) Extra Development costs

Failure to pay applicable Fees will result in the player being de-rostered from the Rep team and returned to Local League.

#### **7.11. Player Movement**

Subsequent to final player selection and the filing of Rep team rosters with the OMHA, any requests for permanent player movement requires consultation with and approval by the Rep Hockey Operations Committee of the Board.

Any possibility of player movement will be subject to applicable OMHA and Hockey Canada deadlines governing roster changes.

If a Rep player terminates their participation in a Rep Team on their own volition, after the league starts, and wishes to move back to Local League, they must first have the approval of the VPs of Rep and Local League Hockey. Despite the wishes of a player, the ability to move mid- season to Local League may not be possible due to player number restrictions, roster deadlines, and number of games played requirements.

#### **7.12. Goaltender Considerations**

To properly assess goaltenders, the Rep Operations Committee may retain an independent goalie evaluator with significant goaltending expertise, in order to objectively assess goaltenders and make recommendations to Head Coaches and the Evaluation Committee.

All Rep teams should take 2 Goalies if available and each evaluated as being of appropriate skill level.

Underage goalies: In the event an underage goalie wishes to try out for the age group above, they will need to be evaluated as the **Number 1 goalie** out of all of the goalies trying out. For any decision to select an underage goalie, the situation must first be discussed and approved by the Evaluation Panel and Rep Operations Committee to ensure it is not detrimental to the team below.

AP goalies. First consideration should be given to any eligible goalies who were released from the Tryouts at their age. Goalies from Local League at the same age group should then be given second consideration. Developing and retaining goalies is imperative. All AP goalies being proposed by a Head Coach first need to be approved by the Evaluation and Rep Operations Committees.

#### **7.13. Communications with Parents**

At no time during the Tryout process will the Head Coach, independent evaluators or any on ice assistants discuss players and their performance with any parent.

All roster spot announcements will only be made after discussion and approval by the Evaluation and Rep Operations Committees. Any questions regarding registration or eligibility should be directed to the BCMHA Administrator for assistance.

## **8. CODE OF CONDUCT AND DISCIPLINE POLICY**

### **8.1. Introduction**

BCMHA/OMHA expect every parent, volunteer, and staff member to take all reasonable steps to safeguard the welfare of participants and protect them from any form of maltreatment. As set out above, any complaint of H.A.B. shall be considered a Major Infraction and shall follow the same procedure as used with a Major Infraction, as set out herein, unless otherwise determined by the OMHA, or as set out in the Criminal Code of Canada. A comprehensive definition of the types of behaviour which may constitute harassment, abuse and bullying is set out in the OMHA Code of Conduct, which all BCMHA/OMHA members are required to comply with.

**8.8. General Procedure for Lodging Complaints**

BCMHA and OMHA Members wishing to lodge a formal complaint, must do so in writing, using the OMHA Complaint Form. Once completed, this should be forwarded to the attention of the BCMHA Risk Management Director and Head Trainer for consideration.

When a written complaint is received by the local Association, or an infraction occurs within the knowledge of the local Association, the local Association must determine if the complaint or infraction ought to be considered Minor or Major. This initial assessment shall be made by the BCMHA Risk Management Director and Head Trainer. If the matter is a Minor Infraction, the matter will be dealt with at the local Association level in accordance with the Policies and Procedures set out herein, unless the local Association refers the matter to the OMHA and the OMHA agrees to the referral.

#### **8.9. Management of Minor Infractions by Local Association**

- (a) Incidents considered to be Minor Infractions (and those Major Infractions specifically referred to the Local Association by the OMHA) will be dealt with by the BCMHA Discipline and Ethics Committee, as chaired by the BCMHA Risk Management Director and Head Trainer (or designate).
- (b) BCMHA Members wishing to lodge a formal complaint, must do so in writing, using the OMHA Complaint Form.
- (c) Depending upon the nature and severity of the Complaint, the BCMHA Risk Management Director and Head Trainer (or designate) shall determine the most appropriate method for addressing and resolving the Complaint. Potential options for addressing and resolving a Complaint include:
  - (i) **Mediation** – the BCMHA Risk Management Director and Head Trainer (or designate) may attempt a voluntary mediation between the parties, where both sides consent to holding a joint discussion of issues and explore mutually agreeable options for resolution. Where a Mediation results in a Complaint being resolved to the satisfaction of all parties, the agreed upon resolution will be documented in writing by the BCMHA Risk Management Director and Head Trainer (or designate) and filed with the BCMHA Discipline and Ethics Committee.
  - (ii) **Investigation** – a confidential investigation may be conducted by the BCMHA Risk Management Director and Head Trainer (or designate). Such an Investigation will include confidential interviews being conducted by the BCMHA Risk Management Director and Head Trainer (or designate) with the Complainant, any Responding Party(s), Witnesses, and consideration of any other relevant evidence.

Following completion of an Investigation, the BCMHA Risk Management Director and Head Trainer (or designate) will prepare a final Investigative Report for consideration by the BCMHA Discipline and Ethics Committee, summarizing the evidence, conclusions and recommending appropriate remedial action and discipline (if any). A majority of the BCMHA Discipline and Ethics Committee must approve of any remedial or disciplinary action recommended by the Investigative Report. Conclusions reached in the Investigative Report and a summary of any disciplinary decision will be communicated to the parties involved.

- (iii) **Formal Hearing** – where the BCMHA Risk Management Director and Head Trainer deems it appropriate, the Association may refer a Complaint to a Formal Hearing before the BCMHA Discipline and Ethics Committee, chaired by the BCMHA Risk Management Director and Head Trainer (or designate). Quorum for the Discipline and Ethics Committee shall consist of at least three (3) Committee members.

In the event of a Formal Hearing, the Committee shall establish a date convenient to all Parties involved. In the event that a Party fails or refuses to attend a Formal Hearing without reasonable justification, the Committee may proceed with the hearing and arrive at a decision in the Party's absence.

Both the Complainant and any Responding Party(s) shall be invited to attend the hearing to

provide their individual account of events related to the Complaint. The Parties will be asked to bring any relevant information or witnesses that they feel are necessary to substantiate their complaint. During the formal hearing, the Committee shall conduct separate and private interviews with each Party and relevant witnesses, allowing enough time between presentations so there is no possible contact between Witnesses. The Committee shall have exclusive authority to determine its own procedure for holding such formal hearings.

Following completion of a Formal hearing, the Discipline and Ethics Committee will prepare a Written Decision, summarizing the evidence, conclusions and imposing any remedial action or discipline considered appropriate. A summary of the decision and conclusions reached will be communicated to the Parties involved.

Where the matter has been dealt with at the local Association level, and a final decision rendered, the matter may proceed by way of a Code of Conduct Appeal in accordance with the applicable OMHA Appeal Policy.

#### **8.11. Management of Infractions by OMHA**

- (a) Any member or representative of the OMHA must report a major infraction to the OMHA using the OMHA Complaint Form available from the OMHA Office and/or website. The specific policies, procedures, and applicable time limits relative to OMHA Code of Conduct Hearings are set out in the OMHA Code of Conduct Policy available on the OMHA website.
- (b) When the OMHA President or his/her designate determines that the complaint ought to be dealt with at the Local Association level, the local Association shall provide the OMHA with their investigator's report as well as subsequent updates of the handling of said matters including any sanctions imposed. The OMHA President or his designate may on notification to the local Association take any steps it deems necessary in the circumstances before or after any sanctions imposed by the Local Association.
